## The Gorbals' vampire park

In 1950, Gorbals which is situated in Glasgow was a dirty and foggy place which was very polluted by factories where weapons was make for the World War II near it. In this dark city, a creepy storie happened...

In 1954, in Gorbals, there was a rumour about the disappearance of 2 children. Some people said that was because of a vampire which lived in the large cemetery out of the city. It was said that the vampire was very creepy, it was 7 feet tall with shiny eyes and sharpened fangs.

And then, Gorbals' children has decided to kill the vampire. They made a lot of weapons like stakes.

On 23<sup>rd</sup> September 1954, they regroup to attack it in the cemetery but they don't found it.

Now, you can visit this creepy place and you might see the Glasgows' vampire in the cemetery. There are also ghosts, werewolves and more terrible creatures.
